SUMMARY

Hello, I'm Daniela, a passionate aspiring **Frontend Developer**!

I have experience building responsive and user-friendly web applications. I specialize in **HTML**, **CSS** and **JavaScript**. In my projects I used **React**, **Next.js** and **GitHub** for version control. Passionate about creating visually appealing, user-friendly websites and applications. Skilled in building responsive layouts and dynamic interfaces, eager to apply my knowledge and grow within a collaborative development team.

SKILLS

- **Front-End:** *HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Next.js, Typescript, Tailwind CSS*
- **Design:** Responsive design, UI/UX principles, Figma
- Problem-solving and analytical thinking
- Strong organizational skills and attention to detail
- Aptitude for analyzing issues and finding creative solutions
- Ability to prioritize tasks and manage workload efficiently
- **Performance Optimization:** Code splitting, lazy loading, SEO
- **Version Control:** Git, GitHub
- Effective communication and teamwork
- Willingness to learn new technologies
- Commitment to producing high-quality code
- Enthusiastic about contributing to a team and eager to grow as a developer.

EXPERIENCE

January 2024 - Current

Front-end Developer, __, Galati, Romania

- Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase skills and projects
- Troubleshoot technical issues related to front end development
- Utilized version control systems such as Git to track changes throughout the development process.
- Optimized website performance by implementing best practices such as lazy loading, image optimization, and minification, leading to a 30% reduction in loadtime
- Engaged in continuous learning of emerging technologies, incorporating industry advancements into projects when applicable.
- Designed and updated layouts to meet usability and performance requirements.
- Optimized site content for mobile devices using responsive design techniques.

January 2018 - August 2023

Guest House Manager, *Casa Mihai*, Sulina

- Developed marketing strategies to increase occupancy rates and maximize revenue generation.
- Trained staff members on best practices in customer service, resulting in improved guest feedback scores.
- Responsible for all reservations/bookings and registrations
- Maintained all records related to the house and managed budgets and expenses

June 2014 - August 2018

Cleaner/Bartender, *Nada Apelor*, Maliuc, Tulcea

- Executed a wide range of cleaning duties and delivered top-notch cleaning services to clients, ensuring all their needs were met.
- Helped inventory and order supplies and stock
- Provided a pleasant drinking experience to customer
- Served drinks while maintaining a clean and sanitary bar area
