Summary

Hi, I'm Daniela!

I'm a passionate **Frontend Developer** with a strong foundation in **HTML**, **CSS**, and **JavaScript**, and hands-on experience with **React**, **Next.js**, and **TypeScript**. I've also worked with **MySQL**, building dynamic and responsive web applications. I'm driven by a desire to create **user-friendly interfaces** and am constantly looking for opportunities to enhance my skills and grow as a developer.

Feel free to check out my portfolio to see my latest work and how I bring these skills to life in real-world projects: https://portfoliomihalached.netlify.app/

Skills

Technical Skills:

- **Frontend Development:** React.js, Next.js, TypeScript
- **UI/UX Design:** Chakra UI, Bootstrap, Responsive Design, Figma
- **Styling:** CSS3, SASS, Tailwind CSS
- **State Management:** React Query, Zustand
- **API Integration:** Axios, Tanstack Query
- **Version Control:** Git, GitHub
- **Database Management:** MySQL

Soft Skills:

- **Problem-solving & Troubleshooting**
- **Time Estimation & Project Scoping**
- **Collaboration & Teamwork**
- **Continuous Learning & Adaptability**
- **Attention to Detail**
- **Communication Skills**
- **Critical Thinking**

Education

- **Meta Front-End Developer Professional Certificate** — *Meta via Coursera*
- **Excel Skills for Business: Intermediate II** — *Macquarie University, Sydney*
- **CS50's Introduction to Databases with SQL** — *Harvard University, Cambridge, Massachusetts*
- **Next.js** — *Code with Mosh*
- **Learn TypeScript Course** — *Codecademy*
- **React 18 for Beginners** — *Code with Mosh*
- **React 18: Intermediate Topics** — *Code with Mosh*
- **The Ultimate Git Course** — *Code with Mosh*

Experience

Front-end Developer | _ | 01/2024 - Current

- **Portfolio Development:** Developed a personal portfolio website using Next.js, React, TypeScript, HTML, and CSS to showcase skills and projects.
- **Performance Optimization:** Built dynamic, server-side rendered pages using Next.js features like static site generation (SSG) and server-side rendering (SSR), and enhanced performance through lazy loading, image optimization, and minification, reducing load time by 30%.
- **Database Integration & Troubleshooting:** Integrated MySQL databases for efficient data management and troubleshooting technical issues to ensure smooth functionality and user experience.
- **Version Control & Continuous Learning:** Utilized Git for version control, engaged in continuous learning of emerging technologies, and applied industry advancements to projects. Additionally, designed layouts and implemented responsive design techniques for a seamless user experience across devices.

Guest House Manager | Casa Mihai | 01/2018 - 08/2023

- **Marketing Strategies and Reservation Management:** Developed and implemented strategies to increase occupancy rates and maximize revenue, efficiently managing reservations and guest registrations.
- **Team Training and Service Improvement:** Trained staff on customer service best practices, leading to improved guest satisfaction and feedback scores.
- **Budget Management and Cost Optimization:** Oversaw budget management, tracked expenses, and optimized operational costs while maintaining accurate financial records.
- **Enhancing Guest Experience and Online Promotion:** Ensured high standards of cleanliness and guest comfort, while using online booking platforms and social media to attract new guests.

Cleaner/Bartender | Nada Apelor | 06/2014 - 08/2018

- **Cleaning and Hygiene:** Performed a wide range of cleaning duties, ensuring high standards of hygiene and client satisfaction.
- **Inventory and Supply Management:** Assisted with inventory management, ordering supplies, and restocking bar essentials for smooth operations.
- **Customer Service and Beverage Preparation:** Delivered a pleasant drinking experience by preparing and serving beverages according to customer preferences.
- **Team Support and Health Standards:** Maintained a clean and sanitary bar area while supporting team members during peak hours, ensuring efficient service and customer satisfaction.
